So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. GIBBONS. Madam Speaker, on rollcall No's. 480 and 481. I was unavoidably detained due to a medical emergency. Had I been present, I would have voted "yes" on rollcall vote 480 and "no" on rollcall vote 481.

FURTHER MESSAGE FROM THE SENATE

A further message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate had passed with an amendment in which the concurrence of the House is requested, a bill of the House of the following title:

H.R. 2267.—Making appropriations for the Departments of Commerce, Justice, and State, the Judiciary, and related agencies for the fiscal year ending September 30, 1998, and for other purposes.

The message also announced that the Senate insists upon its amendment to the bill (H.R. 2267) "An Act making appropriations for the Departments of

Commerce, Justice, and State, the Judiciary, and related agencies for the fiscal year ending September 30, 1998, and for other purposes," requests a conference with the House on the disagreeing votes of the two Houses thereon, and appoints Mr. GREGG, Mr. STEVENS, Mr. DOMENICI, Mr. MCCONNELL, Mrs. HUTCHISON, Mr. CAMPBELL, Mr. COCHRAN, Mr. HOLLINGS, Mr. BYRD, Mr. INOUE, Mr. BUMPERS, Mr. LAUTENBERG, and Ms. MIKULSKI, to be the conferees on the part of the Senate.

PROVIDING FOR CONSIDERATION OF H.R. 1127, NATIONAL MONUMENT FAIRNESS ACT

Mr. HALL of Ohio. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, this is a modified closed rule. It will allow for consideration of H.R. 1127, which is a bill that amends the 1906 Antiquities Act to limit the ability of the President to establish national monuments. As the gentleman from New York [Mr. SOLOMON] described, this rule provides for 1 hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Resources.

Under this rule, five amendments printed in the committee report are allowed, each debatable for 10 minutes. No other amendments may be offered.

First of all, I do want to thank the members of the Committee on Rules and the gentleman from New York for making in order most of the amendments that were submitted, including four Democratic amendments.

Unfortunately, Members were notified on Thursday, September 25, that they had until Monday noon to submit amendments. That is only 2 working days. This modified closed rule only permits amendments that were submitted in advance, and these will be debated under severe time restraints. Thus, the House is denied the opportunity for full and fair debate normally permitted under an open rule.

On rare occasions, these restrictions are acceptable for matters of the highest priority or when urgent House action is required. However, this bill fits neither requirement. The bill was reported more than 2 months ago, and the House could have taken it up at any time.

Madam Speaker, this bill is not only low priority, it is entirely unnecessary in my opinion. This measure eliminates the President's ability to create new national monuments under 50,000 acres without specific congressional approval. However, Congress already has the power to add to, change, or reverse the designation of national monuments.

The bill would tie the President's hands in dealing with threats to our Nation's natural, historic, and scientific resources. If we pass the bill, the President will certainly veto it.

Madam Speaker, I reserve the balance of my time.
